accommodations

Luxury accommodations await you! Three levels of living space, private oversized cabins with ocean view windows (not dinky portholes) and fully en-suite amenities make living on board feel like you are on your own floating bed and breakfast! The Bahamas inspired main salon features comfortable sofas, a wet bar, dining room and entertainment center. Our dive deck is over 900 square feet and there is ample

room for everyone. Our professional crew of 10 will see to all your needs on board.

dining

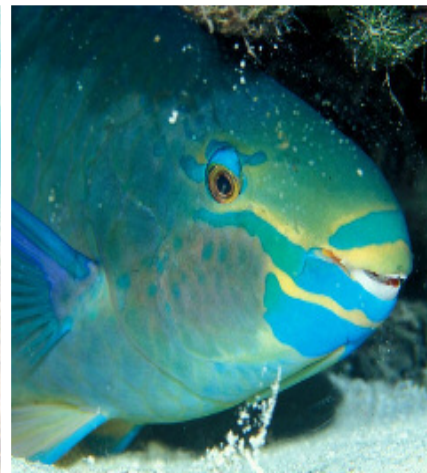

Our gourmet chef will have you salivating! Our all-inclusive culinary highlights include American and Bahamian specialties, fresh fruit, delicious desserts and wine service. Our chef can accommodate special menus such as vegan, vegetarian or gluten-free with prior request. Diners always have a choice of main entrees. Indulge in our tropical cocktails, rum drinks, or local beer on tap.

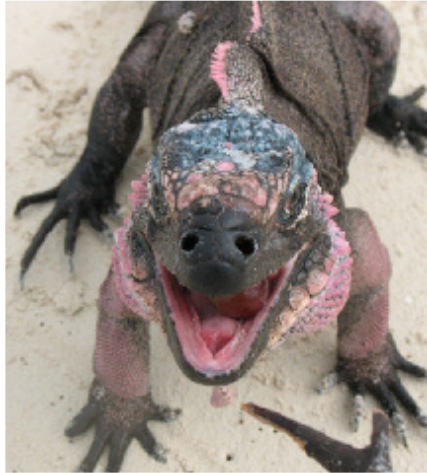

diving

Each Saturday, year round, we cruise from Nassau, Bahamas to the remote islands of the Exumas, especially the Land and Sea Park, the most pristine area in all the Bahamas. No crowds, no set itineraries, just sit back, relax and choose from an incredible variety of activities including scuba diving, snorkeling, kayaking, fishing, sun-bathing, and island exploring. Our cruises offer a large variety of dives; including shark dives, blue holes, swift drifts, walls and reefs at all depths. You'll log up to 26 dives in one week and each will be unique and unforgettable! Nitrox is available.

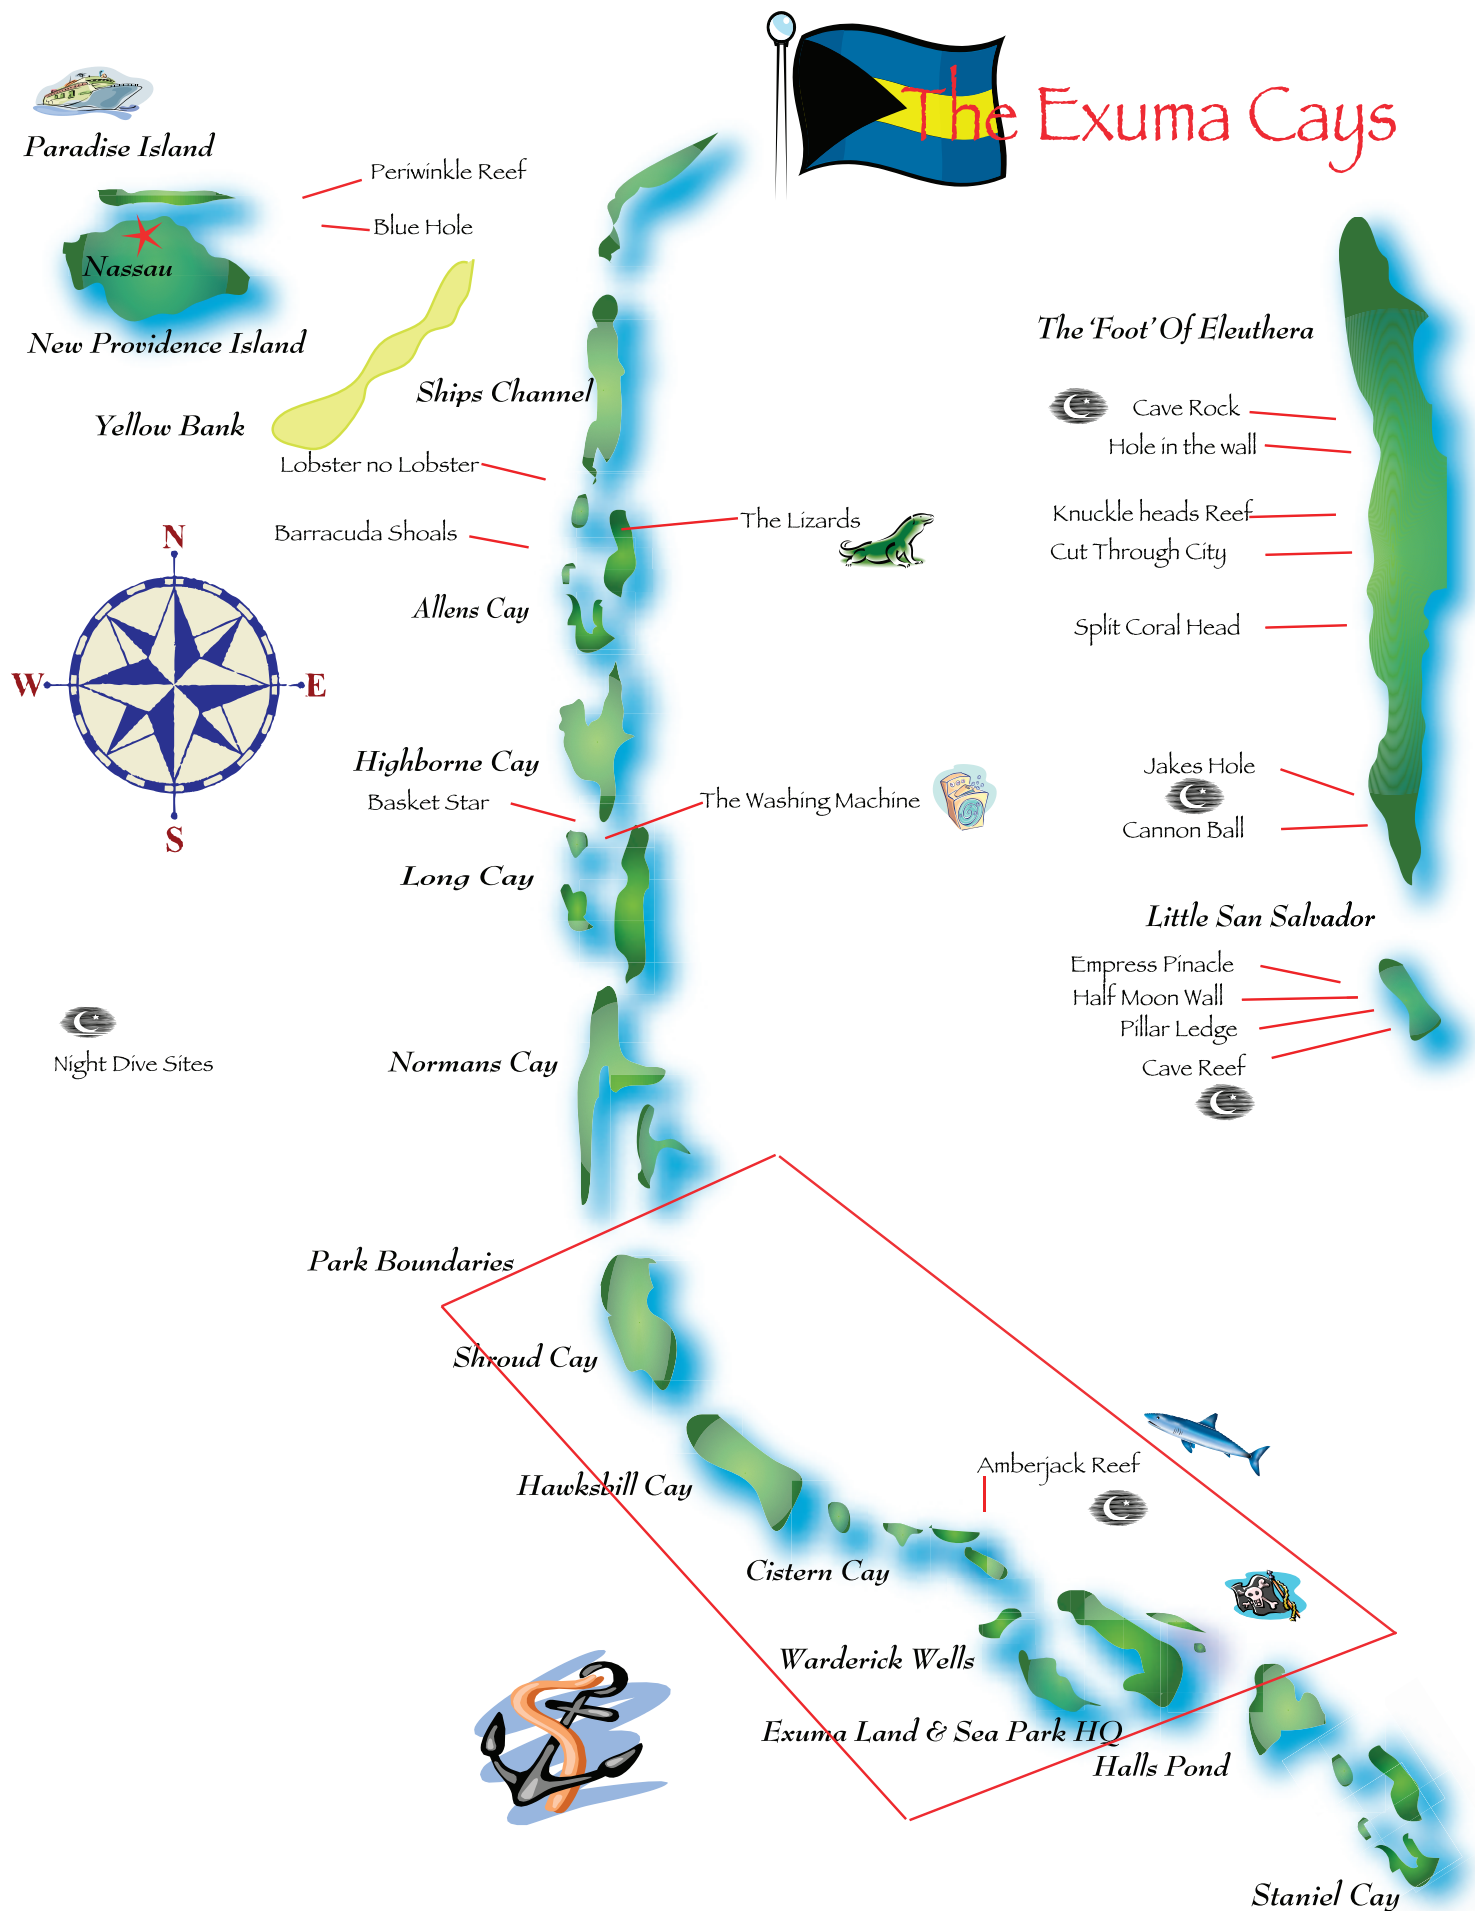

shore excursions

For those who wish to do more than blow bubbles, we offer eco-adventures daily. Our 28' jet boat, the **SEA DOG**, takes guests to deserted islands for hours of beach combing, relaxing, and hiking trails. We also have kayaks, snorkel boards and SUPS on board! We offer unique experiences indigenous to the Bahamas – meet the endangered iguanas of Allen's Cay, swim with pigs at Major's Cay, watch the rare tropic seabirds nest at Camp Driftwood to name just a few of the activities you can enjoy on the Aqua Cat! All this makes the Aqua Cat perfect for your non diving partners and family members to join you on your special diving adventure!

This is the ultimate escape
aboard your own private,
luxury liveaboard.
