Bohol & Visayas

Departure Port: Cebu

Return Port: Cebu

Length of the Trip: 7 Days & 6 Nights approximately 18 dives

Experience Level: Open water certified - 20 minimum dives logged

On the day of departure, our guide will pick you up from the airport or your hotel and drive you to the Infiniti where after a brief welcome and safety briefing you will be assigned cabins.

The cruise director will schedule up to 4 dives a day, 3-day dives and an evening or night dive. The day before return, we will schedule only 2 dives so you have 24 hours before your flight back.

Dive Sites

West coast of Cebu is **Moalboal** with its shimmering shoals of sardines, sea snakes and sweet lips.

Pescador Island with its shallow coral gardens and wall diving where clownfish, frogfish, triggerfish, snappers and Moorish idols, turtles can be seen along with many macro species.

Sumilon waters with constant currents are frequently visited by black tip shark, silver tuna, and other reef fish and are recommended for experienced divers.

Apo Island has reef walls with hard and soft corals where turtles, angelfish, snapper barracudas, moray eels, triggerfish, white tips can be seen regularly.

Balicasag in Bohol is a marine sanctuary where beautiful corals are teeming with reef life... great place for snorkeling and drift dive.

Cabilao Island, Bohol with Barracudas, dogtooth tunas, giant trevallies and also macro marine life like sea horses and nudis.

Please Note: This is a sample itinerary and our cruise director can modify the route according to the weather, currents and diving conditions. We wish to give you the best diving experience of the region, but safety of all on board is the foremost concern and we will do our best to offer alternate locations in case any of the listed sites is not accessible at the time.
