# THE BAHAMAS

Experience exceptional scuba diving like no other place in the Atlantic Ocean or Caribbean. The variety of dive sites in the Exuma Cays is truly unique - reefs, walls, wrecks, high-speed drift, blue hole, sharks - and a passive feed. Complete your open water dive certification or advance your certification level while on board.

# THE VESSEL

The Aqua Cat was specifically designed with scuba divers and adventure travelers in mind. Our floating resort comes complete with luxury accommodations for couples, singles and groups. Amenities include dive equipment rental, SUPs, kayaks and plenty of storage space.

- An experienced multilingual crew
- Cabins with king, queen and/or twin beds and private baths
- 900-sq. ft. dive deck with individually assigned dive stations
- Main salon with dining/living room areas and an alfresco deck
- Upper deck with sundeck and bar
- A 28-ft. jet drive boat for shore excursions and eco-adventures
- 2 dinghies for diving safety
