- 7-14 night itineraries
- Up to 4 dives daily
- 9 spacious cabins with private baths
- Includes all meals, snacks, diving, local ground transfers and shore excursions
- 1:1 guest to crew ratio

TRIP DETAILS:

Indonesia

With intermediate to advanced skills, divers marvel at the biodiversity during drift dives - corals, reef fish, whale sharks, wobbegong sharks, manta rays and muck diving for macro photographers, and on land ... Komodo dragons. Shore excursions vary by itinerary but allow divers to experience the local heritage, culture and scenery of the region.

The Vessel

The beautiful Pinisi-styled teak motor-sail vessel combines a traditional Indonesian dive liveaboard with modern comforts and conveniences. As part of the trip's cultural experience, on board dining and a beach picnic blend Asian Fusion with a touch of local flair.

The vessel's rich woods and warm colors are carried throughout.

- Air-conditioned cabins with king or twin beds and private bath
